Washington Carson. At this life. He and his band started hird of the way across the ice, for the posse had reached the cape. They saw him go down leaded for the Happy Hunting far as Fairfield was concerned. It is course people were happy to a deep sadness over the little had been killed. Among those shington Carson.

urage these pioneers had. Exany miles separated them from ninviting save in one respect—o years they had suffered many knowing hunger when greasediet. Nevertheless farms were wing, and it was beginning to nore white men came, scouts, ag over the land. Some stopped, to find homes in other lonely

s, loneliness and privations true syment in entertainment. The in the fall began gathering it, he pioneers were good huskers t the most perfect ear by night from was indeed lucky.

the boys and girls. Of course afford to send 1,200 miles for it made molasses. The skimly.

s as it is today. The "Virginia t that time. Kerosene lamps nd boot heels stomped out the
